## What is the Audio Bestseller's Club?

The Audio Bestseller's Club is an exciting service for our devoted listeners. As a member of the Audio Bestseller's Club, you will automatically be placed on a reserve list for some of your favorite authors. You will no longer need to stop in or call the library when your favorite author releases a new **Book-on-CD**. Just fill out the form below, and return it to the library and let us take care of the rest.

## "The Rules"

- There is no charge for this service and you can add or remove authors at any time.
- The Audio Bestseller's Club is currently available only for **new, unabridged Books-on-CD**, as they become available from our designated library vendors.
- When the **Books-on-CD** arrive, we'll start filling requests with the Audio Bestseller's Club members first. Order will be determined by the return date and time on this form.
- Choose up to 10 of your favorite best-selling authors from those listed below.
- As always, you will be notified by phone or e-mail when your requested **Book-on-CD** has arrived.
